

God Honoring Films

How can I help?

Ultimately, we feel that God Honoring, Faith-based Film-making is a Spiritual Journey. This is a journey in which we are called to stretch ourselves & use our Talents to the utmost in helping each other, supporting professional & spiritual growth while supporting such God Honoring activities.

Prayer – For those who wish to stretch themselves in their gifted area of prayer. This comes first.

Networking – For those who have a strength in this arena, to quote ?? “How can they believe if they have not heard?”

Subject Matter Expert – When the tough, detailed questions get asked & the inquisitive folks show up, whom better to demonstrate & practice their knowledge of this particular arena?

Music – Composition or Performance – A vital part of any movie, who has musical talent & wishes to achieve an even higher level of talent?

Props & Costumes – For those who wish the film to look “just right”.

Hair & Makeup – For those who wish the players to look “just right”.

Media, Marketing & Publicity – Similar to Networking, who has professional talent in this arena in order to help the film achieve its full audience potential?

Catering & Craft Services – Those with the gift of helps, organizing in this arena

Meals or Food Donations – A well fed crew is a happy crew. Having any sort of food or meal participation or donations would be appreciated.

Restaurant Support – Supporting any God Honoring restaurants would be good. Ideally, we’d like to discuss a package deal/discounts that they could take tax credit for, as well as supporting the effort.

Transportation – People &/or gear transportation

Hospitality – Organizing hospitality methods & means to make folks feel welcome, informed & appreciated.

Cleanup – A necessary stewardship part of the project. The better we do this, the better we portray ourselves as professionals & Christians.

Babysitting – For those who have the gift of helps & a heart for children

Money – For those whom would like to experience God’s Blessing if they are so led to support in this way. We are a 501c3 tax deductible organization.

Business & Organizational Support – Would your business or working place have interest either in supporting this effort or be open to hearing a presentation on it?
