

## VMV { Adoption Clinic Music } Song Notes - 18 Jun 2021

Hi there,

We'd heard there was some interest for this music that we're producing. This will be part of our short film "The Adoption Clinic" (partially done) that will eventually include a 9 song CD (6 with vocals, 3 instrumental). Here are the links to the song samples. [If interested, more info also available in home link & YouTube channel at end of email].

**"I'm Adopted"** (30 Second sample) [https://youtu.be/fp\\_dFY6qfeM](https://youtu.be/fp_dFY6qfeM)

An encouraging & a call to action song that celebrates how we're spiritually adopted into God's family. And if we're adopted, why can't all those unwanted children also be adopted? With the time & talents we've been given on this earth, we pray that you'll be encouraged & inspired to use them for God' glory.

**"Finally"** (30 second sample) [https://youtu.be/oa\\_zXXNJ29E](https://youtu.be/oa_zXXNJ29E)

An inspirational song meant to help folks appreciate how the Lord has brought folks through long lasting periods of waiting & trial. One example is that of Noah, his family & the Great Flood. Another remembrance would be the experiences that David went through before & after he became King.... See if these ring a bell from your own experiences. We don't always get to see the results of when '...Finally...' that God's will comes about, but He has spoken of His pleasure at our faith in Him during all our experiences. [REF: Genesis 6-9; 1 Samuel 16-31, 2 Samuel 1-24; 1 Kings 1].

**"Father Knows Best"** (30 second sample) <https://www.youtube.com/watch?v=xdkMXeG8Nqo>

A song that is drawn from numerous Scripture verses that start with encouragement even while struggling. It starts with Lamentations 3, reminding us that the Lord has been comforting us from sorrow for centuries, millenia even. After that, there are some Psalms worship reminders of God's provision, then a lead-in to Romans 11 as we celebrate indeed that "Father Knows Best" .... [REF: Multi sources...]

**"Rapture Watch"** (31 second sample) <https://www.youtube.com/watch?v=HC5EYwQVGkY>

The intent of this one is to remind us every morning that we have the Lord's work to do... as long as He's not returned yet.... You can use this either praying or reading starting with the REF mentioned here.... [REF: Revelations Chapter 4 to the end]

**"Rapture Watch Live"** (1 min 13 seconds) <https://youtu.be/Ck84oPs51-Q>

The Live version is shorter & is a more intensive guitar solo. If you like a rousing guitar performance, try cranking up the volume on this one as you watch the message unfold.... Along with "The Wood Patent", these have received several Christian Film Fest nominations as well as selections.

**"Tension"** (36 second sample) <https://www.youtube.com/watch?v=afNn2kwrXG8>

An instrumental song that relates to the tension & stress that we all feel at times. We share this as a reminder of how we should always go to the Lord & leave our worries at His feet & trade them for His peace & love.

**"Adoption Solution"** (30 second sample) <https://youtu.be/lGnrXsgmxelU>

A heart-touching song for those who are realizing they are in desperate need of a direction, their Savior & decisions,. [REF: Psalm 56-57]. We really feel that this song can be very meaningful to folks. We pray that the heights & depths of this song may be encouraging to you. Perhaps there are others you know that would like the same comfort & help with such responsibility?

**"He Restores My Soul"** (30 second sample) <https://www.youtube.com/watch?v=VjVEEflt2pg>

An uplifting song that can lift you up when you are at your lowest. Music is in a good first draft form, presently finalizing the lyrics. [REF: Psalm 22]. It reflects many of our life experiences and the Psalms themselves. The song starts out with a melancholy theme which then lightens up... similar to when we open ourselves up to the Lord, as He Restores our soul....

**"Lullaby"** (31 second sample) <https://www.youtube.com/watch?v=NGtoV767xBA>

An uplifting song, a celebration of babies & new life. When creating this song, my wife & daughter had a bit of a sentimental journey while praying about & re-telling some of the baby stories, one of which includes how much her brother liked a Christian singers' concert when mom was still carrying him. When you read through the lyrics, we hope you also feel the blessing as well as the responsibility that we have for raising such a precious gift from God.
